I/We wish to comment or inquire about the following aspects of this project:

Just do it!

For 27 years I've been reading  
about all sorts of outer beltway and  
other planning. Are you ever going to  
build the damn road or just publish  
books & pamphlets about it. How much  
planning money has been squandered  
on all this planning? I'm 61. Will  
I live to see it? Just do it! Now!
