Re: Intercounty Connector

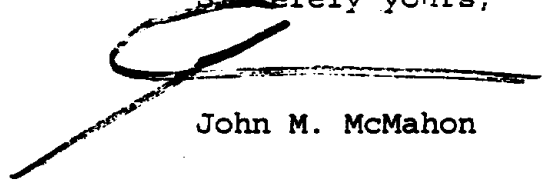

Dear Mr. Straus:

I am writing to voice my support for the construction of the subject road. It is vitally needed to relieve congestion on the Beltway and improve commuting time thereon as well as providing a convenient link between I-270 and I-95. The road will also provide residents with greatly improved access to BWI Airport and the remainder of Maryland.

We cannot continue to let a few vocal NIMBY's thwart the wishes of the majority of our citizens.

I thank you for your attention to this matter.

Sincerely yours,

John M. McMahon
