Dear Mr. Straus:

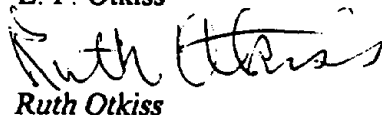

We are residents of Montgomery County and have lived here since 1971. It goes without saying traffic becomes more horrendous as time goes on. There is no question in our minds that construction of the ICC as quickly as practicable would be a boon to Montgomery County and will alleviate traffic on the Beltway.

Again we strongly support the construction of the ICC and it should be done as quickly as possible.

Yours very truly,

L. P. Otkiss
