ICC Hearings and request for comments

The State Highway Administration (SHA) will hold public hearings on the ICC Draft Environmental Impact Statement on May 29, June 3, June 4 and June 7. Please take two actions:

Immediately write SHA Administrator Parker Williams to express your opposition to the ICC. Ask him to

1. **Extend the comment period to at least 120 days.** 75 days is not enough to fully review a 1,000 page document that has taken 4 years and five million dollars to produce. (In 1983, the SHA allowed over 90 days from comment on a shorter, simpler DEIS.)
2. **Make one public hearing accessible by public transit.** Richard Montgomery High School is close to Rockville Metro.
3. **Post the Draft EIS, including the technical reports, on the SHA's World Wide Web site.** The complete, unexpurgated version costs over a thousand dollars if purchased from SHA!

- call and meet my elected officials
