Dear Mr. Williams,

I strongly oppose the proposed inter  
County Connector highway. Please enter this  
letter into the formal record of the  
Draft Environmental impact study.

I have lived in Montgomery  
County for 5 years and this matter  
is of great concern to me and my family!

The ICC would not relieve congestion  
on the Beltway, I-270 or I-95! The  
ICC would cost over 1 billion  
dollars! Way too much!

It would also destroy  
much beautiful park and stream

areas! I walked today thru  
5 1/2 miles of some of what the  
ICC would destroy. It is  
beautiful and I oppose it!

I Do support a non-highway  
alternative that could help relieve  
congestion. This alternative includes  
improved land use planning, expanded  
and improved public transit  
including an east-west light  
rail link, improved bicycle and  
pedestrian facilities and improved  
intersections.

I oppose the ICC and  
I vote,

Sincerely,

*Leigh Foy*
