DEPUTY SECRETARY

APR. 23, 1997

Re: The Intra County Connector

Dear Gov. Glendening,

Please oppose the construction of the ICC.

Please find an alternative to new Road
construction & urban sprawl!

Enclose are copies of 48 post cards
mailed to Park and Homes of the State
Highway Administration, plus 19 signatures
of others.

Let your term as Governor be remembered
as a protector of the environment!

Respectfully,
Augusta

President
