Dear Mr. Williams,

Please be advised that I am opposed to the building of any form of the ICC. We do not need, nor can we afford, such a road. It is immoral to cut funds for the poor, or spend less than we can, and let the wealthy middle class have nice roads to ride on.

If traffic is a problem, up the taxes on gas to discourage those who use the roads frivolously and without real need. Make buses and metro more accessible.
